Teachers should involve each n every student in any kind of extracurricular activities to build the confidence and develop extra skills,, specialy for pre section as it's the t best time to build the base for their personality and character .But they involve only selective students ,it should be change and gave equal chance to all .	2
This school is very good. The teacher are also very responsible.The studying method is also very good.	1
I think that GGSS performance is going to b good for every child and iam satisfied with it but here somewhere I would say that GGSS staff need some more efforts to improve them as well as school progress..thnks	1
It was not easy for me fill this form because , firstly, i was answering it with reference to my both kids and secondly, i know its not easy to handle one of my kids because of her problems and this questionnaire was of general nature. Overall GGSS has taken huge burden out of my shoulders for which i am thankful and can't expect more than this.	1

It is our yearly tradition to call our parents for invigilation duty in our mid terms and final terms which ultimately is consists of a percentage included in the yearly result. This year parent attendance of the pre and junior section is as below;

Parent's duty list for Pre- section
